Pastoral Letter

Dear Members,

I greet you all in the name of our Lord Jesus Christ.

We have had real hot summer this season. But thank God for the good showers of rain that we had in the last week of May. Now the weather is little cool. Not only the weather has become a little cool but now there is water in the Cauvery basin. Sometime ago I read in the new paper that water in the Cauvery basin was just sufficient for a week. But now I don't think we need to worry about it. Let us pray to God to give us Good rain this year. We are happy that Karnataka has elected the new Government. I am sure there will be changes in the governance of Karnataka. Let us pray for our state and especially the Chief Minister and his cabinet members. As a Church we have responsibility towards our Government.

The holidays are over and we are at the threshold of another academic year. The beginning of June is always a busy month with lot of financial constraints and pressure of admissions. For those parents who are busy with their children admissions and young people busy with choosing their career, we assure you of our prayers.

In our Church life here at IMC, we are experiencing changes. A new office is coming up and the parsonage and the Parish hall are being demolished. I know it may be a little painful for those who have been associated with this building for a long time. We respect your sentiments. However, we need to rejoice over the fact that within a span of two years you will have a beautiful building which will accommodate our Sunday school, Church office, community hall and two personages. Let us pray earnestly for the project.

Well the topic for this month is "The Presence of GOD" taken from Acts 17:28. "For in him we live and move and have our being. As some

of your own poets have said we are his offspring”.

I am sure the meditations on the “Kingdom of GOD” have been blessings to each one of our heart. I hope and pray that the meditations on “The Presence of God” will be more edifying and will lift us up spiritually.

One of the attributes of God is that he is Omni present. God is ‘everywhere’. There was a time when Gods presence was confined to the Ark of the Covenant, the tabernacle on Mt. Zion (Numb 10:35, 2 Sam 6:2, 2 King 19:15, Ps 3:4, 99:1) in the temple (1 King 8, Ps 20:2, 26:8) in the Holy land (1 Sam 26:19, Hos 9:3) in the Church (Jn 14:23, Rom 8: 9-11, Eph 2: 21-22) and in the eschatological assembly of his people (Rev 21:3). But thank God our faith has grown and our understanding has widened and now we believe that God is ‘Everywhere’. His presence can be experienced in all places. As we prepare to preach the word, I request you to please pray for us. As a pastoral team we assure you of our prayer support from the ministry of his word. God Bless All.

**God is in no hurry. We tend to think that if God is really engaged,
He will change things within the next hour or so.
Certainly by sundown. Absolutely by the end of the week.
But God is not a slave to the human clock.
Compared to the works of mankind,
He is extremely deliberate and painfully slow.
As religion poet George Herbert wisely penned,
“God’s mill grinds slow, but sure.”**

My Dad's Hands

Poem - David Kettler

Bedtime came, we were settling down,
I was holding one of my lads.
As I grasped him so tight, I saw a strange sight:
My hands. . .they looked like my dad's!
I remember them well, those old gnarled hooks,
there was always a cracked nail or two.
And thanks to a hammer that strayed from its mark,
his thumb was a beautiful blue!
They were rough, I remember, incredibly tough,
as strong as a carpenter's vice.
But holding a scared little boy at night,
they seemed to me awfully nice!
The sight of those hands - how impressive it was
in the eyes of his little boy.
Other dads' hands were cleaner, it seemed
(the effects of their office employ).
I gave little thought in my formative years
of the reason for Dad's raspy mitts:
The love in the toil, the dirt and the oil,
rusty plumbing that gave those hands fits!
Thinking back, misty-eyed, and thinking ahead,
when one day my time is done.
The torch of love in my own wrinkled hands
will pass on to the hands of my son.
I don't mind the bruises, the scars here and there
or the hammer that just seemed to slip.
I want most of all when my son takes my hand,
to feel that love lies in the grip.

Happy Fathers' Day

16/06/2013

Sonora Smart Dodd, often referred to as the “Mother of Father’s Day,” was 16 years old when her mother died in 1898, leaving her father William Jackson Smart to raise Sonora and her five younger brothers on a remote farm in Eastern Washington. In 1909 when Sonora heard a Mother’s Day sermon at Central United Methodist Church in Spokane, she was inspired to propose that Father’s receive equal recognition. The following year with the assistance of Reverend Dr. Conrad Bluhm, her pastor at Old Centenary Presbyterian Church (now Knox Presbyterian Church), Sonora took the idea to the Spokane YMCA. The Spokane YMCA, along with the Ministerial Alliance, endorsed Dodd’s idea and helped it spread by celebrating the first Father’s Day in 1910. Sonora suggested her father’s birthday, June 5th, be established as the day to honor all Father’s. However, the pastors wanted more time to prepare, so June 19, 1910 was designated as the first Father’s Day and sermons honoring Father’s were presented throughout the city. It was years, however, before Father’s Day gained national prominence. In 1924 President Calvin Coolidge recognized Father’s Day and urged the states to do likewise. In 1966, President Lyndon B. Johnson signed a proclamation calling for the third Sunday in June to be recognized as Father’s Day and requested that flags to be flown that day on all government buildings. President Richard M. Nixon signed a proclamation in 1972, permanently observing Father’s Day on the third Sunday in June.

Don’t be so quick to judge,
you never know when you might just find
yourself walking in that person’s shoes.

The Power of Prayer

Article - **Sandra D.,** Std. VIII

This is a story to tell us that God always listens to our prayers.

There lived a father and a mother who had seven little children. One day the father became very sick and died, children were crying their hearts out and their mother advised them to pray to God to bring their father back. The soul of the father reached heaven. The father saw his children crying and asked God why did you take me so soon?

My children are still very small. Who will take care of them? Who will give them food? Then the father said to God my children have to grow and get settled. Till then you make me live. Jesus replied okay as you say I will give you life.

Then God gave him life. He lived happily with his children. As years past all the children were grown up and settled and lovely families. After they had settled and were in good state they all forgot and neglected their father. No one cared about him. And he realized that his children don't need him any more. Then finally the father gives up and prays to God thank you for making me live all these days. But now since my children don't care and need me please take me Jesus take me Jesus now and he dies.

IMC - ELECTRONIC-CITY WORSHIP CENTRE (5th May 2013)

The idea of opening an outreach centre in the Electronics-city was conceived by the Missions and Evangelism Committee, a year ago. Fervent prayer and a couple of visits to Electronics city by members and Pastors followed this, which convinced everyone that an outreach center is an absolute necessity. Starting a Bible-study in one of the houses there did not materialize.

Quite recently, the Pastoral team changed. Then the dormant idea, took on new wings and once again a search was made to look for a common place for a Sunday Worship Service. Very close to the high-rise buildings [where more than 1000 families live], a location called "Smarties" was identified. The Sr.Pastor along with a dozen prominent members visited the place and gave a green signal.

The maiden service commenced on 5th May 2013. The presence of Sr.Pastor Rev.Jayawant and the D.S. Rev.David Nathaniel encouraged every one. The ribbon was cut and the service started exactly at 6.00pm. More than 40 members[primarily IMC] were gathered for this inaugural service. The D.S.Rev.David Nathaniel conducted the service. The youthful MYF team sang the 'praise and worship' with all their vigour and enthusiasm. Sr.Pastor Rev. Jayawant delivered the Lord's message. Others who were involved: Bible-Reading by Mrs.Jamuna Jeyasingh, Greetings by Dr.Kumardoss and Vote of thanks by Mr.Vijayakumar. The service was concluded with prayer and benediction.

Mr.Santhosam , Chairman, M & E committee shared some testimony, after the service.

Refreshment was served at the end.

Prof.Dr.M.J.Kumardoss
